

Poles, Conduits, Right-of-Way

15. What procedure should be used to apply for access to SWBT poles, conduits and rights-of-way?
16. What access to rights-of-way, conduits and poles should be allowed?
17. How should the costs of modifications or rearrangements be allocated?
18. What are the pole and conduit rates?

Directory Assistance and Operator Service Issues

19. Should SWBT provide customized routing of Directory Assistance (DA) and Operator Services calls from SWBT offices to an LSP's alternate Operator Services platform?
20. Should SWBT be required to brand all DA and Operator Services calls in the name of an LSP where the call originator is an LSP customer?
21. Shall an LSP be given direct access to provide Busy Line Verification (BLV) and Emergency Interrupt (EI) service?
22. What types of electronic access to Operational Support system (OSS) for pre-ordering, ordering, provisioning, maintenance and repair, and billing should be required?

Policy/Pricing/Resale

23. How should network elements be priced?
24. How should unbundled network elements be deaveraged?
25. How should compensation for interconnection facilities be set?
26. Should SWBT be required to tariff physical collocation arrangements?
27. What charges should apply for transport and termination of AT&T & MCI's traffic?
28. When should local transport and termination charges apply?
29. How should compensation between SWBT and MCI & AT&T be handled with regard to calls within a Metropolitan Calling Area (MCA)?

30. Should SWBT's switched access rates be changed in this proceeding?
31. What compensation arrangement should be adopted for intermediate transport?
32. Should the Commission address intraLATA toll dialing parity in this proceeding?
33. Should SWBT be required to "brand" for AT&T and MCI on maintenance, installation or customer interaction functions other than operator services?
34. Should the Commission adopt a charge on local service providers which purchase unbundled local switching in a manner similar to that adopted by the FCC?

Resale

35. What services should SWBT be required to make available to AT&T and MCI for resale?
36. What discount should be available for resale services?
37. What charge should be assessed by SWBT to AT&T and MCI for changing local carrier?
38. What use limitations and conditions should apply to SWBT's tariffed services which are resold by AT&T or MCI?
39. Should SWBT be required to permit its customers currently under contract to abrogate their contracts in order to accept proposals from AT&T or MCI?
40. Should SWBT be required to provide AT&T and MCI with a 45-day notice before changing the price of an existing service or a 90-day notice before implementing a new service?
41. What performance standards should be required?
42. What should be the other terms of interconnection?
